Join us!

SEGD is pleased to announce the inaugural SEG D Management for Designers event, taking place April 27 in Chicago.

The event will tackle core competencies—such as business planning, business development, people dynamics—as well as more specific skills development, like contracts and budgets.

This is your opportunity to participate in a training event that gets to the core of a designer's practice. Here's an intimate event to share your solution with an audience of leading designers.

Why sponsor?

As a 2018 SEG D Management for Designers sponsor you will:

- Spend quality time with a group of up to 80 leading designers from around the country
- Earn brand exposure throughout the global community online, as well as the audience of designers in attendance
- Share your product, tool or technology with a targeted audience of designers who seek solutions to their every day design management needs, like contracts, budgets, time and resource management.
- Receive a personal introduction from the stage, complete with your company logo and your representative's name and photo displayed on-screen.
- Go home with lead generation for everyone in attendance, as well as deep discounts on advertising to keep your firm top of mind.
