Friday, November 2

Registration and Networking

8:00-9:00am

BRIC | 647 Fulton Street | Brooklyn, NY 11217

Welcome and Introductions

9:00-9:10am

Bryan Mesezaros, OpenEye Global, SEGD President, Xlab Moderator

Session 1

The State of Digital: Industry Trends and Insights from Global Experiential Leaders

9:10-10:00am

Tom Beck, SoDA (Society of Digital Agencies)

Gain insights into how experiential practices are not only harnessing technology for their project outcomes but also how technology is shaping the way they work, gather insights, and are providing new perspectives for storytelling across digital and physical user-experience platforms.

Moderated by Bryan Mesezaros, OpenEye Global
Sponsored by 22 Miles

Networking Break

10:00-10:20am

Sponsored by AGI

Session 2

Immersive & Interactive Storytelling: Cultural & Consumer-centric Experiences

10:20am-12:00pm

Noa Dolberg & Ariel Efron, Gallagher & Associates (New York)
Tina Rosenbaum, SET (New York)
Lillian Preston, Bluecadet (New York)
David Schwarz, Hush (Brooklyn)

Dive into the working methodologies of four New York based practices and learn how they are elevating the art of storytelling by using immersive and interactive platforms in museums, retail, and public spaces.

Moderated by David Bianciardi, AV&C
Sponsored by AVIXA

Lunch Break

12:00-1:30pm

Grab a bite to eat in Downtown Brooklyn on your own

SEGD Xlab
is held at BRIC | bricartsmedia.org
647 Fulton Street | Brooklyn, NY 11217

Friday, November 2 continued

Session 3

Global Perspectives in Storytelling: Human Connection, Empathy & Emotion

1:30-3:00pm

Abigail Honor, Lorem Ipsum (New York)
Tammuz Dubnov, Zuzor (San Diego)
Lemke Meijer, Gagarin (Reykjavik)

Learn from international experiential leaders how their practices are focusing on human factors as the key connector in how we learn and relate to each other and tell the stories that are most meaningful and matter to us all.

Moderated by Christina Lyons, FIT

Networking Break

3:00-3:20pm

Sponsored by AGI

Session 4

The Next Generation of Storytelling: Connecting People to Place

3:20-4:50pm

Ricardo Prada, Google UX (Mountain View, CA)
Jason Bruges, Jason Bruges Studio (London)

The emergence of AI, machine learning and computational technology has allowed for experiential practices to extend their capability to storytell in new and innovative ways. Let's look at what is next for storytelling and what it means for creating the meaningful spaces and places of tomorrow.

Moderated by Leslie Wolke, MapWell Studio

Sponsored by DSE

Archive Dreaming

4:50-5:35pm

Raman K. Mustafa, Refik Anadol Studio

For the second year in a row, SEGD Xlab showcases the Best of Show Honor Award. This year, Raman Mustafa from the Rafik Anadol Studio will share the award winning Archive Dreaming project.

Moderated by Joe Nash, Joe Nash Studio (New York)

Sponsored by NanoLumens

Closing Comments
